**Wednesday,
March 9th
6:30-7:30 p.m.**

No other Great Lakes shipwreck is more well-known than the Edmund Fitzgerald, which disappeared into a stormy Lake Superior on November 10, 1975 when winds peaked at nearly 100 miles per hour and waves reached the height of a three-story building.

Join author, speaker and columnist Rochelle Pennington as she delves into the various theories and opposing views of dive detectives who are still trying to solve the mystery of what led to the demise of the 29-man crew. Registration for this event is required. Please call (312) 744-8313 or email the branch at edgebrook@chipublic.org to register.
